

TITLE PARTNER

# "CGP"

The Education Department is proud to present the following:

## Certified Green Professional (CGP)

**An exclusive designation offered by NAHB and designed to teach building industry professionals strategies for incorporating green building materials into homes using cost-effective and affordable options.**

Don't miss out on your chance to become part of the fastest growing segment of the residential industry. The CGP designation curriculum offers information on:

- The principles of energy, water and resource efficiency
- Indoor air and environment quality
- Lot and site development for green homes
- Home buyer and owner education
- Common business challenges and practical tools to overcome them
- Business management, marketing and sales strategies to sell green
